

Drone

Chastity Belt

He was just illusion
Stuck a mile, bad air
I've thought I had freedom, but

I was stuck in

I made

Choices without reason

Choices without reason

Invite strangers in

And meet them

He was just another man, tryn'a teach me something

He was just another man, tryn'a teach me something

I never expect voice

From anyone

So I'm never dissapointed, and I

Never have to try

I made

Choices without reason

Choices without reason

Invite strangers in

And meet them

He was just another man, tryn'a teach me something

He was just another man, tryn'a teach me something

He was just another man, tryn'a teach me something

He was just another man, tryn'a teach me something
