Crazy Life

Home Free

I woke up with my tear stained pillow on the floor again.
I think I had a bad dream cause I think I had a hard night
Cause you know it's been a crazy life, yeah.So I jump into the shower and it feels like my whole body's crying
And it has been cause I had a bad dream.
I think I really had a hard night cause you know it's been a crazy life.But that's alright, I don't feel sad.
Look outside, the weather's not bad.
I know these times are the best I ever had.And I think I'm gonna be alright.
Yes, I think I'm gonna do just fine.
And I think I'm gonna be okay.
And I think I'm gonna make it through this crazy life
This crazy lifeI saw an old lady walking cross the street.
I tried to help her but she pushes me away.
I think to myself she must be so scared.
I bet she must be so tired of living in this crazy life.Yeah but that's alright, I don't feel sad.
I look outside, the weather's not bad.
I know these times are the best I ever had.And I think I'm gonna be alright.
Yes, I think I'm gonna do just fine.
And I think I'm gonna be okay.
And I think I'm gonna make it through this crazy life.
This crazy life.I'm not trying to hide what's real.
I know sometimes you get a raw deal.
But life is short and time is cruel.
I can't help seeing the glass half full.So I lay my poor tired head on the pillow again
and I pray to God that maybe we all can sleep well
and maybe we can dream big
cause you know it's gonna be a crazy life.Yeah but that's alright, now don't feel sad.
Just go outside, the weather's not bad.
I know these times are the best we've ever had.And I think we're gonna be alright.
Yes, I think we're gonna do just fine.
And I think we're gonna be okay.
And I think we're gonna make it through.
Yeah, I think we're gonna be alright.
Yes, I think I'm gonna do just fine.
And I think I'm gonna be okay.
And I think I'm gonna make it through this crazy life
This crazy life.Yeah I think we're gonna be alright.
