SFM

Radiosonde

She's a funky feline machine
Crazy cat inside your dream
She's a honey, she sting like a bee
You're the punk and she's the queen
She's an angel, she's a dove
With a taste for a villain's blood
Packin' heat, struttin' on the street
Chew you up and make you meat
Sexy feline machine
Sexy feline machine
Sexy feline machine
Sexy feline machine
She's a sexy feline machine
She's a sexy feline machine
She's a sexy feline machine
She's a sexy feline machine
You can't stop her, yeah
Ya ya yaya ya ya ya ya
Ya ya yaya ya ya ya ya
Ya ya yaya ya ya ya ya
Ya ya yaya ya ya ya ya
She's a sexy feline machine
Crazy cat inside your dream
She's a honey, she sting like a bee
You're the punk and she's the queen
Sexy feline machine
Sexy feline machine
Sexy feline machine
Sexy feline machine
Sexy feline machine
Everything is not everything
Sexy feline machine
She's a sexy feline machine
Sexy feline machine
Sexy feline machine
She's a sexy feline machine
You can't stop her, yea
Ya ya yaya ya ya ya ya
Ya ya yaya ya ya ya ya

Ya ya yaya ya ya ya ya
Ya ya yaya ya ya ya ya
