

# Holy Water

## The Romeos

Holy water, smoke and mirrors  
Boiling water, you'll disappear  
I think by now I know what evil really is  
As pure as the snow, the taste on your lips  
By a small fire's glow  
When we were only kids  
Someday everyone will know  
Exactly what you did  
Holy water, smoke and mirrors  
Boiling water, you'll disappear  
Someday everyone will hear  
Then they will know who you are  
You'll have to bare the fear  
Try to escape in the dark  
Holy water  
Escape in the dark
