

Let Go of the Stone

John Anderson

You shouldn't wade out in deep water when you don't know how to swim
He told you it was over and like a fool you followed him
Into a whirlpool of emotion, spinnin' out of control
It's killin' you but you won't let him go Let go of the stone if you don't wanna drown
In the sea of heartache that's draggin' you down
It's pullin' you under and you keep hangin' on
If I'm ever gonna save you let go of the stone Oh, don't you realize the danger and the hurt you're headed for
Put your arms around me and swim with me to shore
Just let go of that ol' memory, I know it's hard to do
But I'll be here holdin' on to you Let go of the stone if you don't wanna drown
In the sea of heartache that's draggin' you down
It's pullin' you under and you keep hangin' on
If I'm ever gonna save you let go of the stone
If I'm ever gonna save you let go of the stone
