By Surprise

Gemini Club

The days,
Two long days to go,
And I said,
"follow short"
For reasons I don't know.
You want to go?
I'll tell you that it's my fault.
I want to tell you cause I could wake.
No, I could wake, no I could shake you up.
On a day, no I could shake you up.
I said.
No I could shake you up.Oh you know I met you by surprise.
Oh you know I met you by surprise.It takes two long nights to think it over,
It takes two long strides to keep it my way.
I want to fall asleep
Don't want to cover.
I don't want to be, I just want to say.
It's just too hard with your leaving.
Forget the absence
It's the patience I loathe
And if you kiss,
Don't look away.
We'll go back-to-back.
We'll go back-to-back.Oh you know I met you by surprise.
Oh you know I met you by surprise.
