All my people

Sasha Lopez

All my people on the floor, we party all night
We want some more, we wanna see some more
We're about to turn it on under the light
We never stop, we roll, we roll, we roll...Yes, Sasha Lopez,
He wants to see your body move
We're ready for the world
Let's go!Hey mister lover, I need a dancer
To make me shake my booty
To make me break the floor
So show me your moves
You're sexy, you're smooth
You make me wanna touch, touch
Hey-aHey mister lover, I need a dancer
