Here I am with you in mind
Feels like I'm going back in time
My love, well she left you know
It was hard on me but didn't always show

I was changing, once again,
rearranging, did begin

Here I sit with dreams inside
they need out, can't let them hide
should I have stayed and make amends
or moved on to make new friends

I was changing once again
rearranging did begin

When I think of how close we were
and how I was so unsure
but then you married so quickly
I was shocked how you forgot me

But you were changing
once again
rearranging
Did begin

Here I am with you in mind
feels like I'm going back in time
my love, well you left I know
its hard on me but doesn't always show

I am changing, once again
rearranging has begun
