

There's Only One Way To Rock

Van Halen

One way to rock I've heard it called by different names all over the world, but it's all the
Same there's so many ways to make love a million ways to make love a million
Ways, I've been thinking of oh yea chorus: but there's only one way there's only
One way to rock so many things can get you high I'm gonna try em all just once
Before I die and you can analyze this situation to me it's all just mental
Masturbation [chorus] now quickly, check the hands on the clock it's 8:05, it's
Time to rock and this world can disagree they don't understand how it can be
And it's not my point of view it's a fact, and you know that it's true [chorus]
Crank up the drums, crank out the bass crank up my les paul in your face
[chorus]
