

Shatter Me With Hope

Him

The girl who cried "Love, won't you come and play with me?"
You can be Cassandra, underneath the sword of Damocles
We'll tear this baby apart wise like SalomonRun, come shatter me now, shatter me with hope
Crawl, come breathe me in, bleed out all sorrows
Scream me a dream, untouched by shadows
Baby, shatter me now, shatter me now
Shatter me with hopeShe'll be the witness to the repose of Evelyn
Push the needles into the of canticles of ecstasy
Turn to page forty three
And you'll know how I feelRun, come shatter me now, shatter me with hope
Crawl, come breathe me in, bleed out all sorrows
Scream me a dream, untouched by shadows
Baby, shatter me now, shatter me now
Shatter me with hopeSwear on your heart's grave I'm wrong
And run like your life's depending on it
'Cause it is!We'll tear this baby apart, wise like Solomon
Turn to page forty three, and you'll know how I feelRun, come shatter me now, shatter me with hope
Crawl, come breathe me in, bleed out all sorrows
Scream me a dream, untouched by shadows
Baby, shatter me now, shatter me now
Shatter me with hopeShatter me now, shatter me now, shatter me now
Oh, you oh
Shatter me now shatter me now shatter me now
Oh, you oh
Scream me a dream
Shatter me now shatter me now shatter me now
Scream me a dream
(Shatter me now, shatter me now, shatter me now)
