

# Whatever It Takes

## Pillar

What would it take to make you see me  
The way that I see you?  
And what would it take to make you want me  
The way I've always wanted you? I don't know why You're in everything I see  
And I can't deny that You're everything I need  
So I reach in Whatever it takes to get to You  
Whatever it takes to break through  
Whatever it takes You are my reason  
For everything I do Whatever it takes, whatever it takes  
Whatever it takes to  
Whatever it takes, whatever it takes  
Whatever it takes What would it take to make you fall for me  
The way I fell for You?  
And what would it take to make You fight for me  
The way I've always fought for You And I don't know why You bring me to my knees  
But I can't unwind from how You twisted me  
But I reach in Whatever it takes to get to You  
Whatever it takes to break through  
Whatever it takes You are my reason  
For everything I do Whatever it takes, whatever it takes  
Whatever it takes to  
Whatever it takes, whatever it takes  
Whatever it takes, whatever it takes To get to You, to get to You  
To get to You Whatever it takes to get to You  
Whatever it takes to break through  
Whatever it takes You are my reason  
For everything I do, whatever it takes Whatever it takes, whatever it takes  
Whatever it takes, whatever it takes to  
Whatever it takes, whatever it takes  
Whatever it takes, whatever it takes
