Cut Out

Blue Angel

Baby I want the
Love you been savin'
Tell me the truth
Boy why you been waitin'Oh, oh, oh, oh can't blame me
We could be sweethearts
We could be never
Did you forgetI love you forever
Oh, oh, oh, oh can't blame me
I can see by now
You don't want to knowCan't blame me if I love you so
I'll be your dancer
A silky eyed lady
Dreamin' of moonlight
