Everyday Of My Life

Third Party

With everyday of my life
I can surely see now where I am going
And everyday of this year
I can clearly see I ain't wasted any time, no time at all

With everyday of my life
I've tried so hard to keep it on going
(How can I keep it on going)
But other people around keep on draggin' me down to the ground

Drag me down to the ground
They don't know, move too slow

With everyday of my life
I am slowly growing tired of excuses
And every question I raise
Getting nothing but hurt and abuses from your mind

Don't mind at all, I don't mind at all, no, no

Don't know why life's hard for us
'Cause we sure do try
Forget your cares and worries
You know that we'll get by, yes, we'll get by

Don't need your help or sympathy
Ain't getting down on bended knee
Sooner or later you'll discover
Don't turn your back on your own brother

With everyday of my life
I can surely see now where I am going
An everyday of this year
I can clearly see I ain't wasted any time, no time at all
