Ever Fallen in Love

Nouvelle Vague

You spurn my natural emotions
It makes me feel like dirt and I'm hurt
If I start a commotion
I run the risk of losing you and that's worseEver fallen in love with someone
Ever fallen in love, in love with someone
Ever fallen in love, in love with someone
You shouldn't've fallen in love withI can't see much of a future
Unless we find out what's to blame?
What a shame and we can't be together
Until we realize that we are the sameEver fallen in love with someone
Ever fallen in love, in love with someone
Ever fallen in love, in love with someone
You shouldn't've fallen in love withEver fallen in love with someone
Ever fallen in love, in love with someone
Ever fallen in love, in love with someone
You shouldn't've fallen in love withEver fallen in love with someone
Ever fallen in love, in love with someone
Ever fallen in love, in love with someone
You shouldn't've fallen in love withEver fallen in love with someone

You shouldn't've fallen in love withYou spurn my natural emotions
