

Fantasy Boys

BRONCHO

I wanna pick you up
I wanna pick your name
I wanna give you up
I wanna drop your name
I want your
Fantasy boys I wanna knock you out
I wanna hit you in L.A.
I wanna get you when you're off
I wanna drop your name
I want your
Fantasy boys How strong you think it's gonna be
How strong you think it needs to be
So tell me is it something in your walk
Is it your legendary play
I wanna eat you up
I wanna drop your name
I want your
Fantasy boys
