

# What Do You Say to That

[George Strait](#)

You're like the warm sunshine  
I think of you all the time  
I've fallen for you and that's a fact  
What do you say to that You're always in my dreams  
I think you know what they mean  
My heart knows this is real at last  
What do you say to that Chorus:  
Life could never be the same without you  
Love was never really love without you  
Here beside you is really where it's at  
What do you say to that I promise I'll never leave  
I'll always want with me  
Loving you won't ever be old hat  
What do you say to that (repeat chorus) You're like the warm sunshine  
I think of you all the time  
I've fallen for you and that's a fact  
What do you say to that  
My heart knows this is real at last  
What do you say to that
