

Jet Boy

New York Dolls

Who's so fly up in the sky
Faster than any boy could ever describe?
Who has got a love so deep
With everything alive? I said
Jet Boy's fly
Jet Boy's gone
Jet Boy stole my baby Flyin' around New York City so high
Like he was my baby This's the kinda place where no one cares
What you're living for
And Jet Boy's so preoccupied
He don't care 'bout before And that's why
Jet Boy's fly
Jet Boy's gone
Jet Boy stole my baby Flyin' around New York City so high
Like he was my baby My baby Jet Boy's fly, you know
Jet Boy's gone
Jet Boy stole my baby Flyin' around New York City so high
Like he was my baby We was all endangered charms
Swear we're havin fun
And Jet Boy goes after all we've done
That's why he's the one That's why
Jet Boy's fly
Jet Boy's gone
Jet Boy stole my baby Flyin' around New York City so high
Like he was my baby My pretty baby
My pretty, pretty baby
My pretty baby When I first came around this dump
I knew I couldn't stay
'Cause up above the world are Jet Boy
That's how I gotta play Don't ya know why
Jet Boy's fly
Jet Boy's gone
Jet Boy stole my baby Flyin' around New York City so high
Like he was my baby, like he was my baby
Like he was my baby, like he was my baby
Like he was my baby Jet Boy's fly
And ya know he's gone
I said he been gone
Gone, gone, gone And he been flying

He been flying
He's been flying
He's been flyingBaby, up all night
Baby, New York City
Baby, so, so high
Baby, so, so highDon't you know that
Like he was my baby
Like he was my baby
Like he was my baby
Like he was my-my-my-my baby
My-my-my-my baby (like he was my baby)
My-my-my-my (Like he was my baby)
My baby, my baby (Like he was my baby)
M-m-m-m-m-my baby
My baby
