My Desire

Interpol

Be my desire
I'm a frustrated man
Summon us for peace
Do what we can[Verse 2]
Feel my desire
Favor the bold
Some of us fall to the Earth
These others roam
Beseeched by desire[Chorus]
Come on baby
You played me out
You played me out
What looked like your chance to leave
But you played me out
So now I gave you up
It's time for a change of heart[Verse 3]
See my desire
No solemn moods
All of us are teammates
We stick to the rules
It's a real life desire[Chorus 2]
Come on baby
You played me out
You laid me out
That looked like your chance to leave
But you played me out
So now I gave you up
It's time for a change of heart[Bridge]
I'm human
I feel you
Erased[Verse 4]
Be my desire
I'm a frustrated man
Some of us fell to the Earth
These others ran
They flee my desire[Chorus 3]
Come on baby
You played me out
You played me out

So it's time for a change of heart
You played me out
So I gave you up[Outro]
I'm human
I feel you
ErasedI'm human
I feel you
Erased
