

# Here's That Rainy Day

Chris Botti

Maybe I should have saved those left over dreams  
Funny, but here's that rainy day  
Here's that rainy day they told me about  
And I laughed at the thought that it might turn out this wayWhere is that worn out wish that I threw aside  
After it brought my lover near  
It's funny how love becomes a cold rainy day  
Funny, that rainy day is hereFunny how love becomes a cold rainy day  
Funny, that rainy day is here
