

# Relax

## Powerman 5000

When you want to go to it  
Relax don't do it  
When you want to come  
Relax don't do it  
When you want to come  
When you want to comeRelax don't do it  
When you want to to go to it  
Relax don't do it  
When you want to come  
Relax don't do it  
When you want to suck it to it  
Relax don't do it  
When you want to come  
Come-oh oh ohBut shoot it in the right direction  
Make making it your intention-oooh yeah  
Live those dreams  
Scheme those schemes  
Got to hit me  
Hit me  
Hit me with those laser beamsI'm coming  
I'm coming-yeahRelax don't do it  
When you want to go to it  
Relax don't do it  
When you want to comeRelax don't do it  
When you want to suck it to it  
Relax don't do it (love)  
When you want to come  
When you want to come  
When you want to come  
Come-huhGet it up  
The scene of love  
Oh feel itRelax Relax Relax  
Higher higher Relax
