Freak My Baby

Gareth Gates

Yeah, yeah, oohYeah, got a feeling that you want it
Simply by the way of looking
You're throwing me sideway glances all night longNow you wanting my attention
Talking to me, lip thinking
I think I know what you're thinking, am I wrong?That look in your eyes
Shows me what could be mine
Oh, girl, I feel it the beat inside
Tonight we'll dance like star crossed loversWhen the party's jumpin' and the music's pumpin'
Make me wanna freak my baby
When the groove is hot, I don't wanna stop
I just wanna drive you crazyYou are the one, let's move it
'Cause you turn me on, like a [Incomprehensible]
Just wanna be the one
To freak my, baby, gotta be thereIs it my imagination?
I swear that I could be dreaming
I never thought we could dance in perfect timeSo now you've got my attention
Tell me where you wanna take this?
'Cause I just wanna hold your body next to mineThat look in your eyes
Shows me what could be mine
Oh, girl, I feel the beat inside
Tonight we'll dance like star crossed loversWhen the party's jumpin' and the music's pumpin'
Make me wanna freak my baby
When the groove is hot, I don't wanna stop
I just wanna drive you crazyYou are the one, let's move it
'Cause you turn me on, like a [Incomprehensible]
Just wanna be the one
To freak my babyFreak, freak, freak my baby
Freak, freak, freak, baby
Freak, my baby
Freak, freak, my babyThat look in your eyes
Shows me what could be mine
Oh, girl, I feel the pain inside
Tonight, tonightWhen the party's jumpin' and the music's pumpin'
Make me wanna freak my baby
When the groove is hot, I don't wanna stop
I just wanna drive you crazyYou are the one, let's move it
'Cause you turn me on, like a [Incomprehensible]
Just wanna be the one
To freak my babyWhen the party's jumpin' and the music's pumpin'

Make me wanna freak my baby
When the groove is hot, I don't wanna stop
I just wanna drive you crazyYou are the one, let's move it
'Cause you turn me on, like a [Incomprehensible]
Just wanna be the one
To freak my baby
