

# The Ascension

## Manowar

Powers of the Universe  
Did sire a SonHe was baptised  
By Fire, Water, Earth and SkyFrom Darkness  
He rose up in Triumph  
To Ascend the Throne of LightAnd he alone  
Shall Forever be Known  
As the King of KingsI Enter this World  
Born under a Sign  
Of infinite Light  
And here I shall Dwell  
I now Understand  
All that I am  
Shall live in Thy command
