

Pay My Dues

Crazy Chris Kramer

Well I pay my dues by singin' the blues
Some day it's gonna end
Well the light that shines
In the sky up above
It's just around the bend Yeahhh
Livin' a life, And it ain't easy (Yes, you got to pay)
Livin' a life, And it ain't easy (Lord, you got to pay your dues)
Livin' a life, And it ain't easy (Pay your dues)
Livin' a life, And it ain't easy
Well the light that shines
in the sky up above
It's just, just, just around the bend I said the choice is yours how you wanna pay
There's no denyin' you owe
Cause just as sure as we all came
Baby we got to go Let go Livin' a life, And it ain't easy (Yes, you got to pay)
Livin' a life, And it ain't easy (Lord, you got to, got to pay your dues)
Livin' a life, And it ain't easy (Oooo Pay your dues)
Livin' a life, And it ain't easy
I said just as sure
Baby just as sure, just as sure, Ooooo..I owe daughter Livin' a life, And it ain't easy (Ohhhh)
Livin' a life, And it ain't easy Well just as sure
Baby, just as sure
Just as sure, Ooooo..yes..yes.yes.yes.Livin' a life, And it ain't easy
Livin' a life, And it ain't easy (Ohhhh)
Livin' a life, And it ain't easy
Livin' a life, And it ain't easy
Livin' a life, And it ain't easy (Ooooo)
Livin' a life, And it ain't easy
Livin' a life, And it ain't easy
Livin' a life, And it ain't easy
