

The Atlantic Ocean

Richard Swift

I'm part of the scene
I'm part of the scene
Suit jacket and jeans I got the right LP's
I got the right LP's
I got the Lou Reed
And all the Blondie you'll ever need Atlantic Ocean
Atlantic Ocean
You're gonna drown, drown, drown I'm part of the scene
I'm part of the scene
I got the drum machine
(A-boom tap boom tap, a-boom tap boom tap) I got the right routine
I got the right routine
'Cause the end justifies the means Yes, lately I know
That it's so hard to see where to go
And it's so hard just to keep this to myself
When I live for no one else Atlantic ocean
Atlantic ocean
You're gonna drown, drown, drown
