

This Christmas Life

Shane Dawson

If life was like a Christmas movie
I wouldn't have a care or worry and
Everything would always turn out fine
Makin' angels in the snow
Kissin' under mistletoe and
Everyone would always have a smile But baby life isn't that easy
Sometimes it gets crazy
I'm fallin' on my knees
Yeah
I'm hopin' for a happy endin'
So let's stop pretendin'
What life could be Chorus-
There'll be dancin' and singin'
This Christmas Life
And the bells will be ringin'
This Christmas Life
No more heartaches from heartbreaks
This Christmas Life
Oh I,
Wish it could be mine If I lived up on the North Pole
I would stare outside my window
And look around at all the shining lights
Christmas carols at the front door
Family at the dinner table
And every night would always end just fine But baby life isn't that easy
Sometimes it gets crazy
I'm fallin' on my knees
Yeah
I'm hopin' for a happy endin'
So let's stop pretendin'
What life could be Chorus-
There'll be dancin' and singin'
This Christmas Life
And the bells will be ringin'
This Christmas Life
No more heartaches from heartbreaks
This Christmas Life
Oh I,
Wish it could be mine So I just close my eyes and

Create a wonderland where
Anything's possible where
I'm just dreaming of
What it would beChorus-
There'll be dancin' and singin'
This Christmas Life
And the bells will be ringin'
This Christmas Life
No more heartaches from heartbreaks
This Christmas Life
Oh I,
Wish it could be mine (there'll be)(could be mine)There'll be dancin' and singin'
This Christmas Life
And the bells will be ringin'
This Christmas Life
No more heartaches from heartbreaks
This Christmas Life
Oh I,Wish it could be mine
