2000 Flushes

Chixdiggit!

it's important that i try to learn and flush when i live alone i'm always in a rush 2000 flushes yellow isn't what i use [***] it's yellow in my bowl after six or seven times i send it down the line yellow water in my bowl never hurt a living soul it's important that i try to learn and flush when i live alone i'm always in a rush 2000 flushes yellow isn't what i use [***] it's yellow in my bowl after six or seven times i send it down the line yellow water in my bowl never hurt a living soul it's yellow in my bowl
