

# Mad Love Coming

## Golden Earring

You want different positions  
to keep your love-life successful  
and you want a happy ending  
with lots of stud potential  
reliable and perpetual  
without being distasteful, oh weeMy papa says its not the size  
nor the way its looking, its the way it moves  
on stiletto shoes - papa sure improves  
but I bet hes just tryin to be commercialSo let me say something simple to you  
before we get to do the do: Baby I love you  
that takes care of that, you can take off your hat  
You and me gotta be the lucky fewTheres a tourist in the city  
that went and lost his lady  
on the purpose if you ask me  
Hell have to find a reason  
to cover-up the treason  
meanwhile lets hope the night never ends (2x)  
cos mad loves coming, I know mad love is coming  
Mad love is coming, I know mad love is coming  
Mad mad love is coming, I know mad love is comingOut on the corner - city boy routine  
Right on the border of enemy territory  
This is how far youve come, this is how far youve gone  
Theres a fools moon out, makin me shoutand its cruel cruel - streets a mean school  
Too many blows - below the belt, you know  
This is how far youve come, this is how far youve gone  
Theres a fools moon out, makin me shout  
Mad love is comin, not too soon  
on beds that sail outta the blue  
Mad love is comin, all day through  
whos afraid of that romance is doomedMad loves comin, all over your walls  
Into your life, it creepy crawls  
This is how far youve come, this is how far youve gone  
Theres a fools moon out, makin me shoutMad love is .....
