## The Civil Wars

Haven't you seen me sleepwalking?  
'Cause I've been holding your hand  
Haven't you noticed me drifting?  
Oh, let me tell you I am Tell me it's nothing  
And try to convince me  
That I'm not drowning  
Oh, let me tell you I am Please, please tell me you know  
I've got to let you go  
I can't help falling out of love with you Why am I feeling so guilty  
And why am I holding my breath?  
I'm worried 'bout everyone but me  
And I just keep losing myself Oh, tell me it's nothing  
And try to convince me  
That I'm not drowning  
Oh, let me tell you I am Please, please tell me you know  
I've got to let you go  
I can't help falling out of love with you Oh, won't you read my mind?  
Don't you make me lie here and die here Oh, please, please tell me you know  
I've got to let you go  
I can't help falling out of love with you  
With you Oh, haven't you noticed?  
And I, I'm sleepwalking
