Effigy

Gov't Mule

Last night I saw a flyin' bird
In a palace
All the land
Of humble subjects watched it
Mixed emotions
Who is burning who is burning
Effigy
Who is burning who is burning
Effigy

Last night I saw the fire spread into
The palace doors
Silent majority weren't keeping quiet anymore
Who is burning who is burning
Effigy
Who is burning who is burning
Effigy

Last night I saw the fire burn into
The country side
In the morning dew were left to watch
The ashes die
Who is burning who is burning
Effigy
Who is burning who is burning
Effigy
Why, why, why
Effigy

Who is burning tell me who is burning
