

# Eye Of The Beholder

## Metallica

Do you see what I see?  
Truth is an offence  
Your silence for your confidenceDo you hear what I hear?  
Doors are slamming shut  
Limit your imagination  
Keep you where they mustDo you feel what I feel?  
Bittering distress  
Who decides what you express?Do you take what I take?  
Endurance is the word  
Moving back instead of forward  
Seems to me absurdDoesn't matter what you see  
Or into it, what you read  
You can do it your own way  
If it's done just how I sayIndependence limited  
Freedom of choice is made for you my friend  
Freedom of speech is words that they will bend  
Freedom with their exceptionDo you fear what I fear?  
Living properly  
Truths to you are lies to meDo you choose what I choose?  
More alternatives  
Energy derives from both the plus and negativeDo you need what I need?  
Boundaries overthrown  
Look inside to each his ownDo you trust what I trust?  
Me, myself and I  
Penetrate the smokescreen  
I see through the selfish lieDoesn't matter what you see  
Or into it, what you read  
You can do it your own way  
If it's done just how I sayIndependence limited  
Freedom of choice is made for you my friend  
Freedom of speech is words that they will bend  
Freedom with their exceptionDo you know what I know?  
Your money and your wealth  
You silence just to hear yourselfDo you want what I want?  
Desire not a thing  
I hunger after independence  
Lengthen freedom's ringDoesn't matter what you see  
Or into it, what you read  
You can do it your own way

If it's done just how I say  
Independence limited  
Freedom of choice is made for you my friend  
Freedom of speech is words that they will bend  
Freedom no longer frees you  
Doesn't matter what you see  
Or into it, what you read  
You can do it your own way  
If it's done just how I say
