

Papercuts

Atomic Hooligan

[Percussion lead-in, then RIFF]

[MALE] Yeah, ye-ah

[RIFF]

[UNDERBREATH] Ahh

[RIFF]

Sticky, sticky situation
Tryin' not to lose concentration
Automatic overdrive
But now, throw me a line

Spinin' out, out of control
Grab it now, take good hold
Sticky, sticky situation
Tryin' not to lose concentration

[RIFF]

I - I - I like the way you work it, baby
I - I - I like the way you work it, baby
[Backup] I like the way you work it, work it
[Backup] I like the way you work it, baby
I - [TOGETHER] I like the way you work it, work it
[TOGETHER] I like the way you work it, baby

[RIFF]

[MALE] Yeah, ye-ah

[MUSICAL BREAK]

Sticky, sticky situation
Stop now, no hesitation
Stinkin' thinkin' eats me alive
Get that mind out of overdrive

Don't let those thoughts take control

I am a warrior of my soul

Sticky, sticky situation

No time for hesitation

[RIFF]

I - I - I like the way you work it, baby

I - I - I like the way you work it, baby

[Backup] I like the way you work it, work it

[Backup] I like the way you work it, baby

I - [TOGETHER] I like the way you work it, work it

[TOGETHER] I like the way you work it, baby

[RIFF]

I - I - I like the way you work it, baby

I - I - I like the way you work it, baby

I - I - I like the way you work it, baby

I - I - I like the way you work it, baby

I - [TOGETHER] I like the way you work it, work it

[TOGETHER] I like the way you work it, baby

[RIFF]

I like the way you work it, work it

I like the way you wo-rk it

I - I - I like the way you work it, baby

[Backup] I like the way you work it, work it

[Backup] I like the way you work it, baby

I - [TOGETHER] I like the way you work it, work it

[TOGETHER] I like the way you work it, baby

[RIFF]

I like the way you work it, work it

I like the way you wo-rk it

I like the way you work it, work it

I like the way you

[Keyboards fade to percussion only]
