

Le Bump (feat. Crystal Waters)

Yolanda Be Cool

I sit and drink Prosecco
Cause he said just let go
He left me beggin' on my knees
Please, go play some old piano
Something that I know I like I hate ya
You dirty filthy flea Please, just wanna bump, just wanna bump, just wanna bump, let's play
Just wanna bump, just wanna bump, just wanna bump, let's play
Just get a bump for me, put my mind at ease,
Bring the rest, my drink, my heart won't break
Just play [Repeat: x8]
Let's play Le Bump I sit and drink tequila,
Say just how I feel-a,
Like stupid people on TV
How could you turn the channel?
Tired of all the chatter?
I hate this new "reality" Please, just wanna bump, just wanna bump, just wanna bump, let's play
Just wanna bump, just wanna bump, just wanna bump, let's play
Just get a bump for me, put my mind at ease,
Bring the rest, my drink, I'm not afraid of all you said
Just play Prosecco, just let go, Tequila, how I feel-a Le Bump
[Repeat: x8]
Let's play Le Bump
