Yeah

Dolls of voodoo all stuck with pins
One for each of us and our sins
So you lay us in a line
Push your pins they make us humble
Only you can tell in time
If we'll fall or merely stumble
But tell me, can you heal what father's done
Or fix this hole in a mother's son?
Can you heal the broken worlds within?
Can you strip away so we may start again?
Tell me, can you heal what father's done
Or cut this rope and let us run?
Just when all seems fine and I'm pain free
You jab another pin, jab another pin in me
Mirror, mirror upon the wall
Break this spell or become the doll
See you sharpening the pins
So the holes will remind us
We're just the toys in the hands of another
And in time the needles turn from shine to rust
But tell me, can you heal what father's done
Or fix this hole in a mother's son?
Can you heal the broken worlds within?
Can you strip away so we may start again?
Tell me, can you heal what father's done
Or cut this rope and let us run?
Just when all seems fine and I'm pain free
You jab another pin, jab another pin in me
Yeah, jab it
[Incomprehensible] the pins
Blood for face, sweat for dirt
Three X's for the stone
To break this curse a ritual due
I believe I'm not alone
Shell of shotgun, pint of gin
Numb us up to shield the pins
Renew our faith which way we can
To fall in love with life again

To fall in love with life again
To fall in love with life again
To fall in love, to fall in love
To fall in love with life again
So tell me, can you heal what father's done
Or fix this hole in mother's son?
Can you heal the broken worlds within?
Can you strip away so we may start again?
Yeah, tell me, can you heal what father's done
Or cut this rope and let us run?
Just when all seems fine and I'm pain free
Jab another pin, jab another pin in me
Oh yeah
No more pins in me, yeah
No more, no more pins in me
No more, no more pins in me
No more, no more, no more
No, no, no
