

They Won't Go When I Go

Stevie Wonder

No more lying friends
Wanting tragic ends
Though they do pretend
They won't go when I go All those bleeding hearts
With sorrows to impart
Were right here from the start
And they won't go when I go And I'll go where I've longed
To go so long, away from tears Gone from painful cries
Away from saddened eyes
Along with him I'll bide
And they won't go when I go Big men feeling small
Weak ones standing tall
I will watch them fall
'Cause they won't go when I go And I'll go where I've longed
To go so long, away from tears Unclean minds mislead the pure
The innocent will leave for sure
For them there is a resting place People sinning just for fun
They will never see the sun
For they can never show their faces There ain't no room for the hopeless sinner
Who will take more than
He will give, he will give, he will give
He ain't hardly gonna give The greed of man will be
Far away from me
And my soul will be free
And they won't go when I go Since my soul conceived
All that I believe
The kingdom I will see
'Cause they won't go when I go And I'll go where I'll go
No one can keep me from my destiny, yeah yeah
They won't go where I'll go, oh
