They Won't Go When I Go

Stevie Wonder

No more lying friends
Wanting tragic ends
Though they do pretend
They won't go when I goAll those bleeding hearts

With sorrows to impart

Were right here from the start

And they won't go when I goAnd I'll go where I've longed

To go so long, away from tearsGone from painful cries

Away from saddened eyes

Along with him I'll bide

And they won't go when I goBig men feeling small

Weak ones standing tall

I will watch them fall

'Cause they won't go when I goAnd I'll go where I've longed

To go so long, away from tearsUnclean minds mislead the pure

The innocent will leave for sure

For them there is a resting placePeople sinning just for fun

They will never see the sun

For they can never show their faces There ain't no room for the hopeless sinner

Who will take more than

He will give, he will give, he will give

He ain't hardly gonna give The greed of man will be

Far away from me

And my soul will be free

And they won't go when I goSince my soul conceived

All that I believe

The kingdom I will see

'Cause they won't go when I goAnd I'll go where I'll go

No one can keep me from my destiny, yeah yeah

They won't go where I'll go, oh
