Change Of The Guard

Steely Dan

If you listen you can hear it
It's the laughter in the street
It's the motion in the music
And the fire beneath your feet
All the signs are right this time
You don't have to try so very hard
If you live in this world
You're feelin' the change of the guardAll the cowboys and your neighbors
Can you swallow up your pride
Take your guns off it you're willin'
And you know we're on your side
If you want to get through the years
It's high time you played your card
If you live in this world
You're feelin' the change of the guard
