Missoula's Gonna Get You

Falling Sickness

you can talk about saving the world
you can talk, talk , talk, talk....about it
and all the evils of humanity
I'm pretty sure you've heard enough about it
do you know what it means to be alive?
highway 12 is unforgiving
but tonight I'm still living
I look back and see how far I've taken this
you can talk, talk, talk, talk...about it
we've only lasted cause we're not faking this
I'm pretty sure you don't want to
hear about it
I found out what it means to be alive
highway 12 is unforgiving
but tonight I'm still living
Missoula's gonna get you
