Crazy

Iron Savior

A man decides after seventy years
That what he goes there for is to unlock the door
While those around him criticize and sleepAnd through a fractal on a breaking wall
I see you my friend and touch your face again
Miracles will happen as we trip oohBut we're never gonna survive unless we get a little crazy
No we're never gonna survive unless we are a little crazyYellow people walking through my head
One of them's got a gun to shoot the other one
And yet together they were friends at school, oh, get it, get it, noIf all were there when we first took the pill
Then maybe, then maybe, then maybe, yeah
Miracles will happen as we speakBut we're never gonna survive unless we get a little crazy
No we're never gonna survive unless we are a little crazyIn a sky full of people, only some want to fly, isn't that crazy?
In a world full of people, only some want to fly, isn't that crazy?
In a Heaven full of people, there's only some want to fly, ain't that crazy?
In a world full of people, there's only some want to fly, ain't that crazy?
Ain't that crazy?But we're never gonna survive unless we get a little crazy
No we're never gonna survive unless we are a little
But we're never gonna survive unless we get a little crazy
No we're never gonna survive unless we are a little, just a little crazyAnd then you see things the size of which you've never known before
They'll break it someday only child know
Then things, the size of which you've never known before
Someday, someway, someday, someway
