

Sharing You

Bobby Vee

Sharing you
I know I'm sharing you
I'm not the only one
Who's in your heart When I'm with you
Your love belongs to me
But you have someone else
When we're apart There are two of to kiss you
Two of us to miss you
And two of us to wish
There were two of you And though it hurts me so
To go on sharing you
I know my helpless heart
Just can't be free
