

Steal His Heart

Emily And The Woods

Get in my boat
we'll sail away
iv'e always been scared
scared of the seaI'll give you some string
you'll find your way home
and i will be waiting
when you returnI can't steal his heart
but i can steal back mine
i can steal back mine
i can steal back mine
i can't steal his heart
but i can steal back mineStand on the shore
Armies out stretched
the stars in the heavens
are doing their bestHe calls my name
and i meet his eyes
now i have lived
i might as well dieI'm saying things are
i'm saying things are
i'm saying things are
going to changeI'm saying things are
i'm singing things are
singing things are
going to changeI can't steal his heart
but i can steal back mine
i can steal back mine
i can steal back mine
i can't steal his heart
but i can steal back mineTakes off my crown
throws it to the sky
and we are emblazoned
as bright lights will thriveI can't steal his heart
but i can steal back mine
i can steal back mine
i can steal back mine
i can't steal his heart
but i can steal back mine
steal back mine
