Stranger Things Have Happened

Foo Fighters

Goddamn this dusty room
This hazy afternoon
I'm breathing in this silence
Like never before
This feeling that I get
This one last cigarette
As I lay awake and wait
For you to come through that door
Oh, maybe, maybe, maybe
I can share it with you
I behave, I behave, I behave
So I can share it with you
You were not alone, dear loneliness
You forgot but I remember this
Oh stranger, stranger
Stranger things have happened, I know
I'm not alone, dear loneliness
I forgot that I remember this
Oh stranger, stranger
Stranger things have happened, I know
You'll dream about somewhere
A smoke will fill the air
As I lay awake and wait
For you to walk out that door
I can change, I can change, I can change
But who do you want me to be?
I'm the same, I'm the same, I'm the same
What do you want me to be?
You were not alone, dear loneliness
You forgot but I remember this
Oh stranger, stranger
Stranger things have happened, I know
I'm not alone, dear loneliness
I forgot that I remember this
You were not alone, dear loneliness
You forgot but I remember this
Oh stranger, stranger
Stranger things have happened, I know
I'm not alone, dear loneliness

I forgot that I remember this
Oh stranger, stranger
Stranger things have happened, I know
