

Only You

Fleetwood Mac

Only you
Give me all I need
Only you
Give me all I need
When I see you, walking around
When I see you, walking around
Baby I need you
Baby I love you
Baby I need you Only you
Give me all I need
Only you
Give me all I need
When I see you, walking around
When I see you, walking around
Baby I need you
Baby I love you
Baby I need you When I see you, walking around
When I see you, walking around
Baby I need you
Baby I love you
Baby I need you
