

Devil

Stereophonics

Ever dance with the devil baby? Oh no
Make my day
Do you feel lucky? Oh no
Tomorrow's another day Can you walk on water, maybe? Oh no
Turn water into wine?
Can I buy you a drink there lady? Oh no
Can you tell me another lie? So be my Devil Angel
Be my shooting star
Be my Devil Angel
Be my shooting star Have I seen you somewhere baby? Oh no
I need another line
Are you living the dream there lady? Oh no
Can I tell you what's inside? So be my Devil Angel
Be my shooting star
Be my Devil Angel
Be my shooting star Stop the car there baby! Oh no
You can't handle the truth
So what's the point then lady? Oh no
If you can't stand to play and lose So be my Devil Angel
Be my shooting star
So be my Devil Angel
Be my shooting star Be my Devil Angel
Be my shooting star
Be my Devil Angel
Be my shooting star Be my Devil
