

# Get Out of the Left Lane You Stupid Sumbitch

## Alabama Big Earl

Put your hands together.

Well, get out of the left lane you stupid som'bitch, you inconsiderate, bastard you no driving prick, if I had a gun, I would shoot you, then I'd piss on your grave, get in the right lane, get the fuck outta the way.

You're, driving in the left lane, while you should be on the gas, got 40 cars behind you, just crawling up your ass, but you don't give a shit cause you think you own the road, so I'm giving you the bird bitch and telling you where to go.

Well, get out of the left lane you stupid som'bitch, you inconsiderate bastard you no driving prick, if I had a gun, I would shoot you, then I'd piss on your grave, get in the right lane, get the fuck outta the way.
