

Crash! Boom! Bang!

Roxette

My papa told me to stay out of trouble
"When you've found your man make sure he's for real"
I've learned that nothing really lasts forever
I sleep with the scars I wear that won't heal
They won't heal 'Cause every time I seem to fall in love

Crash! Boom! Bang

I find the heart but then I hit the wall

Crash! Boom! Bang

That's the call that's the game and the pain stays the same I'm walking down this empty road to nowhere

I pass by the houses and blocks I once knew

My mama told me not to mess with sorrow

But I always did and Lord I still do

I'm still breaking the rules

(I kick it up, I kick it down) 'Cause every time I seem to fall in love

Crash! Boom! Bang

I find the heart but then I hit the wall

Crash! Boom! Bang

That's my real middle-name, it has always been the same

That's the call that's the game and the pain stays the same I still feel the heat

(Slowly fallin' from the sky)

And the taste of the kissing

Shattered by rain and the wild holy war

(Comin' tumblin' from behind)

I kick it up, I kick it down Oh, every time I seem to fall in love

Crash! Boom! Bang

I find the roses dying on the floor

Crash! Boom! Bang

That's the call that's the game and the pain stays the same

That's my real middle-name, it has always been the same Oh yeah, oh yeah

It's always been the same

It's always been the same
