

Shades of Cool

Lana Del Rey

My baby lives in shades of blue
Blue eyes and jazz and attitude
He lives in California too
He drives a Chevy Malibu And when he calls
He calls for me, not for you
He lives for love, he loves his drugs
He loves his baby too But I can't fix him, can't make him better
And I can't do nothing about his strange weather But you are invincible
I can't break through your world
'Cause you live in shades of cool
Your heart is unbreakable My baby lives in shades of cool
Blue heart and hands and aptitude
He lives for love, for women, too
I'm one of many, one is blue And when he calls
He calls for me, not for you
He prays for love, he prays for peace
And maybe someone new But I can't help him, can't make him better
And I can't do nothing about his strange weather 'Cause you are invincible
I can't break through your world
'Cause you live in shades of cool
Your heart is unbreakable You are invincible
I can't break through your world
'Cause you live in shades of cool
Your heart is unbreakable
