Straight To My Heart

Camel

LatimerI was born in '49,
in a family of four.
Father had his own band
just after the war.My brother and I had a radio
and every night we'd share,
waves from Luxembourg
that came though the air.Days were full of music
and nights were just the same.
And though the songs are different now
some things never change...

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
