

Right Where I Wanted To Be

[John Wetton](#)

I have often thought of my life as fantasy
That the dreams I bought did not belong to me
But the grace I know as love
Makes me thank my stars above

'Cause I'm right where I wanted to be
I found heaven on earth and I set myself free
There's the angel of destiny walking in front of me
And I'm right where I wanted to be

All the feelings that, as always, I've denied
Left me chained with anger, shivering inside
I was searching for a key
But with eyes too blind to see

'Cause I'm right where I wanted to be
I found heaven on earth and I set myself free
There's the angel of destiny walking in front of me
And I'm right where I wanted to be
Right where I wanted to be

'Cause I'm right where I wanted to be
I found heaven on earth and I set myself free
There's the angel of destiny walking in front of me
And I'm right where I wanted to, right where I wanted to be
I found heaven on earth and I set myself free
There's the angel of destiny walking in front of me
And I'm right where I

'Cause I'm right where I wanted to be
I found heaven on earth and I set myself free
There's the angel of destiny walking in front of me
And I'm right where I

'Cause I'm right where I wanted to be
I found heaven on earth and I set myself free
There's the angel of destiny walking in front of me
And I'm right where I wanted to be
