

The Truth

Bizzy Bone

[[INTRO Ye ye// (one time//) one setup /no enemies// Allah /(is for my people) if you have no enemies there is
no reason for you to ride on this one right here baby/ (na meen b /war) yeah
Bounce// bounce// come on //come on//
Thats what Im talking baby/ right there baby / (the right way this is our house)
Allah is god muslims in the house]]Verse 1
A many a people in my business /many a people in deed
Many a people on my disnic/ and they dont even know me /
They Wasnt around for thuggish ruggish/ wasnt around for the struggle/ they wasn around when I was homeless
/was wasnt around for my troubles
Up in my *****es face /like they was there for the soth/ter/
They getting tested and dont even know it/ they dont got no water hola holla
Need a dolla drop a dime in a bucket/ im cutting them up off quick qwit the quickness/ I dont know you like
**** it/all the judases & harlots & dragons we set around /I came in the door bessed /and you acted like you
found me/
Could have cleaned you up and downey (Allah damn me) /could have cleaned you with bleach/I am a muslim
study islam baby then you can reach/[[Chorus/hook 1 And let the haters know the truth nigga/ they de snakes
and they gone be the demons it the lak/e eternally burnin in the fire /batta get quick back to god/allah
An we say a sallah mallecum get on your job/]]
And let the haters know the truth nigga they de snakes/ and they gone be the demons it the lake /eternally burnin
in the fire betta/ get quick back to god/Allah
An we say a sallah mallecum get on your job
One time for they]]]Verse 2
How do they lie /with they venomous tongues and leading the life/
Would they be switching they stories /they g/lore me deplore me to fight/
Like Im scared to take a flight /I rather travel on foot /I am a walker you a dreamer/ in a beemer now look/ I am
a muslim and im not drinkin your grapes and your wine /gimme the milk and draped in silk &/ poppin pills Ill
be fine
And they totally out of line /poke out your inches to see me/ it ill take more than plastic surgery for you to try to
be me /it ill take more than rappin fast it/ il take more th your braids/ it ill take more than flashin cash / it ill take
more than a cape/ve it ill take more than pretty women right now Im abstinent hey/
It ill take more than getting attacked ,Im a veteran mayn/ with all the geniuses an harlots an dragons be set
around me/I came in the door bleesd and you actin like you found me/
Could have cleaned you up wi downey/could have cleaned you with bleach
I am a muslim study Islam baby/maybe you can reach/yoLil speech/ chorus 2
See what Im tryna Tryna tell these people out here man is basically.. what yall need to do is study islam right
now you know what Im sayin.. yaall need to get knee deep in yall books please believe....
Juss Ride to this/ I got alil something else I need to speak to yall about ok.. so keep ya mind together here we go
baby (aight aight)]]Verse 3
Whatever is clever (it) aint always the best way to go /better wit cheddar

I/n on my money now look at the road / for the words I wright for the words U wright when I comes just watch
it go flow /when the bird comes tight till it comes to the light then you know that I got the sow /
Enemies im comin when it come to tipsy toe /we come we around the corner with no Warner and no gol /we slip
up in the party like we shrimp up on the barby/
So every body know /that we commin in the door slow down no they dont know/
I hold crown /listen to the shotgun go blow /yeah shit sounds so profound/
Have you saying he still got it /I still got it you clown/ I came down to rock
Yal suckaz (suckaz) / keeping my eyes open lookin out for my brothas
Smother you with the love (it) the best of its kind/I rock house-parties barmitsfaz /the internets mine/one
time(..OUTRO..)
