

Garden Of Serenity

Ramones

Come on take my hand, come on little stranger
The spirits are angry, stay away from danger
This is insanity, this could be the end

This is insanity, farewell my friend
In the garden of serenity, in the garden of serenity
In the garden of serenity, in the garden of serenity
Meet me in the graveyard, we'll walk amongst the dead
On a midnight odyssey riding in my head
I'm not your enemy, girl, I'm your friend
Come with me on a journey, on a journey to the end
In the garden of serenity, in the garden of serenity
In the garden of serenity, in the garden of serenity
In the garden of serenity, in the garden of serenity
In the garden of serenity, in the garden of serenity
In the garden of serenity, in the garden of serenity
In the garden of serenity, in the garden of serenity
In the garden of serenity, in the garden of serenity
